

Section 3 – External Auditor’s Report and Certificate 2024/25

In respect of

Westcott Parish Council – BU0202

1 Respective responsibilities of the auditor and the authority

Our responsibility as auditors to complete a **limited assurance review** is set out by the National Audit Office (NAO). A limited assurance review is **not a full statutory audit**, it does not constitute an audit carried out in accordance with International Standards on Auditing (UK & Ireland) and hence it **does not** provide the same level of assurance that such an audit would. The UK Government has determined that a lower level of assurance than that provided by a full statutory audit is appropriate for those local public bodies with the lowest levels of spending.

Under a limited assurance review, the auditor is responsible for reviewing Sections 1 and 2 of the Annual Governance and Accountability Return in accordance with NAO Auditor Guidance Note 02 (AGN 02) as issued by the NAO on behalf of the Comptroller and Auditor General. AGN 02 is available from the NAO website – <https://www.nao.org.uk/code-audit-practice/guidance-and-information-for-auditors/>

This authority is responsible for ensuring that its financial management is adequate and effective and that it has a sound system of internal control. The authority prepares an Annual Governance and Accountability Return in accordance with *Proper Practices* which:

- summarises the accounting records for the year ended 31 March 2025; and
- confirms and provides assurance on those matters that are relevant to our duties and responsibilities as external auditors.

2 External auditor’s limited assurance opinion 2024/25

Except for the matters reported below, on the basis of our review of Sections 1 and 2 of the Annual Governance and Accountability Return (AGAR), in our opinion the information in Sections 1 and 2 of the AGAR is in accordance with Proper Practices and no other matters have come to our attention giving cause for concern that relevant legislation and regulatory requirements have not been met.

The smaller authority has disclosed that it made proper provision during the year 2024/25 for the exercise of public rights, by answering ‘Yes’ to Section 1, Assertion 4. However, as was reported last year, we are aware that it failed to do this and therefore should have answered ‘No’ to this Assertion. It has also disclosed that it took appropriate action on all matters raised in reports from internal and external audit, by answering ‘Yes’ to Section 1, Assertion 7, which, on the basis of the above, is not correct.

Information has come to our attention from the internal auditor highlighting the fact that the Transparency Code had not been adhered to, therefore Assertion 3 should have been answered ‘No’.

The AGAR was not accurately completed before submission for review. Please ensure that amendments are corrected in the prior year comparatives when completing next year’s AGAR.

- Section 2, Box 4 incorrectly includes items which are not staff costs as defined in the Joint Panel on Accountability and Governance Practitioners’ Guide. Please note that Box 4 should comprise payments made in relation to the employment of staff including only gross salary, employers’ national insurance contributions, employers’ pension contributions, gratuities for employees or former employees and severance or terminations payments to employees. Employment expenses which are benefits (mileage, travel, etc.), items of reimbursement of expenses for postage, stationery or other outlays made on behalf of the smaller authority, payroll processing costs and contractor/locum clerk costs in respect of individuals who are self-employed, are not staff costs for the purpose of completion of the AGAR in accordance with proper practice. The figures in Section 2, Boxes 4 and 6 should read £2,192 and £57,172 (respectively) for the prior year, and Section 2 Boxes 4 and 6 should read £3,289 and £23,300 for the current year.

Other matters not affecting our opinion which we draw to the attention of the authority:

None
